

HTF *in Studio*

LEVIS | MAY 14-16, 2021

It is at the Satir Productions recording studio in Lévis, on May 14-16, that we will hold our new hybrid competition, open to all dance school and independent dancers: **HTF IN STUDIO**.

While waiting for our regular activities to get back on track, we are offering **two different options** with this event. 5 judges from the #HTFFAM will be in the studio, on-site, during the 3-day competition, to give dancers constructive comments on their solos, duos, trios, or groups!

Be assured that sanitary measures will be respected and that the dancer's safety remains our priority. *Please note that HTF credits can be used for this event.*
